Re: Fact-Finding Report
Case No. F-13-01-3945
Jay School Corporation and the
Jay Classroom Teachers' Association

IEERB was established by statute in 1973 to promote harmonious and cooperative relationships between public school teachers and the school corporations they serve, thereby improving education for all Hoosier children. Among IEERB's major functions are conciliation and mediation, fact finding, research, unit determination and representation, and unfair labor practice adjudication. More information is available on IEERB's website (www.IN.gov/ieerb).

Pursuant to Indiana Code section 20-29-8-7(k) and Indiana Administrative Code section 2-4-4(e) find enclosed a copy of the fact-finding report concerning the above referenced parties.

If you have any questions regarding this matter, you may contact the office at (317) 233-6620.
